Border Protection**

JAN 14 2015

The Honorable Jeff Sessions
United States Senate
1800 5th Avenue North
341 Vance Federal Building
Birmingham, AL 35203

Dear Senator Sessions:

This is in response to your December 17, 2014, correspondence on behalf of your constituent, Mr. (b) (6), (b) (7)(C), requesting that U.S. Customs & Border Protection (CBP) reconsider the denial of his Global Entry application.

Global Entry is a risk-based approach to facilitate the entry of pre-approved U.S. citizens, lawful permanent residents of the United States and citizens of certain other countries. The program allows frequent international travelers who have passed a background check, use of an automated kiosk to clear passport control, and provides an expedited exit lane out of the CBP processing area.

CBP is pleased to report that after careful review we have determined that Mr. (b) (6), (b) (7)(C) application for membership in the Global Entry program should be approved. His membership will be valid until June 2, 2020. Mr. (b) (6), (b) (7)(C) has been contacted and informed that he may begin using the program immediately.

If you should need further assistance, please contact me at (202) 344-1760.

(b) (6), (b) (7)(C)
